

REFORMING AND RENEWING THE CHURCH

In the 500th year since the Reformation began, we will be considering reformation and renewal in the Church of England, past and future. How can we learn from the reformations of the past? How do we guard our Reformed heritage? And how will the church need to keep reforming and renewing in the future, in order to reach the nation with the good news of Christ?

opportunity to reach the lost for Jesus, build up the church through his word, and send workers into God's harvest field. If you or your spouse are in Anglican ministry, lay or ordained, and at any stage from exploring ministry through to a first incumbency, you are invited to JAEC.
