THE GOSPEL IN THE PARISH

What does gospel ministry look like in 21st century parishes across the country? This year’s JAEC looks at the nature of pastoral ministry in the context where most of it happens: the parish church. We will be hearing from two bishops, several incumbents, and others with different kinds of experience and expertise in ministry.

About JAEC
This conference aims to help us be more effective as Anglican Evangelicals, making the most of every opportunity to reach the lost for Jesus, build up the church through his word, and send workers into God’s harvest field. If you are in Anglican ministry, lay or ordained, and at any stage from exploring ministry through to a first incumbency, you are warmly invited to JAEC. Spouses and family are also very welcome to attend.
