THE FUTURE STARTS NOW

The conference
The Church of England is always in crisis and now is no exception, so at this year’s conference we will be considering historical and contemporary Anglicanism, as we seek to prepare ourselves to meet the challenges of the future. Now, perhaps more than ever, it is vital for evangelicals in the Church of England to work together to contend for the gospel of Christ.

About JAEC
This conference aims to help us be more effective as Anglican Evangelicals, making the most of every opportunity to reach the lost for Jesus, build up the church through his word, and send workers into God’s harvest field. If you are in Anglican ministry, lay or ordained, and at any stage from exploring ministry through to a first incumbency, you are warmly invited to JAEC. Spouses and families are also very welcome to attend although we are unable to provide childcare at the conference.

JAEC is hosted by Church Society.
Further information about the conference and additional copies of this brochure can be found at churchsociety.org or from admin@churchsociety.org
