

The Evangelical Fellowship in the Anglican Communion

New group members. The Council of E.F.A.C. have admitted to membership the Evangelical Fellowship of Anglican Churchmen of South Africa (Church of the Province) and the Evangelical Fellowship of the Church of England in South Africa. Details of their officers are given below. We are glad to know that the Evangelical Fellowship of Anglican Churchmen of South Africa have recently sent a complimentary copy of the book *Sacrament, Sacrifice, and Eucharist* by the Rev. A. M. Stibbs to over 200 Anglican church leaders in Africa. They have also invited the Rt. Rev. Gordon Savage, Bishop of Buckingham, to visit South Africa in connexion with the tercentenary of the Book of Common Prayer. He will be conducting Teaching Missions in the Transvaal, Natal, and Cape Town, and speaking at their annual Conference at Stutterheim from September 4 to 7.

The Secretary of the Evangelical Fellowship of Victoria, the Rev. Colin J. Cohn, is taking the new post-graduate course for clergy at St. George's College, Jerusalem. Until his return to Australia in the summer of 1963, the Acting Secretary will be the Rev. W. V. Lloyd, St. Hilary's Vicarage, John Street, Kew, Victoria.

Individual members have been joining the Evangelical Fellowship in the Anglican Communion in Europe, Asia, North and South America. Application forms for individual membership may be obtained from either of the Joint Hon. Secretaries, the Rt. Rev. Marcus Loane (The Kingsway, Roseville, Sydney, New South Wales) or the Rev. J. R. W. Stott (12, Weymouth Street, London, W.1).

Anglican Congress, Toronto. It is hoped that the Council of E.F.A.C. will meet during the 1963 Anglican Congress in Toronto, and that perhaps a public meeting under E.F.A.C. auspices may be arranged as well. The Rev. John Stott (12, Weymouth Street, London, W.1) will be glad to hear from or of any evangelical churchmen who will be attending the Congress as delegates or observers.

Summer School. As announced in the last issue of *The Churchman*, it was a disappointment that the Oxford Summer School had to be cancelled owing to inadequate support. It is hoped to arrange another Summer School in 1963, and the Rev. John Stott will be glad to hear from those who expect to be visiting England next summer, and would be interested to receive the details.
