

## **SPECIAL RESOLUTIONS OF CHURCH SOCIETY**

At the ANNUAL GENERAL MEETING of Church Society to be held at Oak Hill College, Chase Side, Southgate, London N14 4PS at 11:15am on Saturday 12th May 2018, the following Resolutions will be proposed as special resolutions, namely that the Articles of Association of Church Society be altered and amended in the following manner:

1. Add new Article 21(d) in the following terms:

“(d) It shall be a condition of membership of Council that each member thereof shall prior to the first meeting of the Council to be held after the Annual General Meeting each year, or if co-opted pursuant to Article 22 below prior to attending any meeting of Council, have signed such statement or statements of faith as any General Meeting shall for the time being by special resolution have prescribed reflecting the historic faith as set forth in Scripture in a manner consistent with the Objects of Church Society as set out in the Memorandum of Association.”

2. Add new Article 26(g) in the following terms and move the “or” after Article 26(e) to the end of Article 26(f) so as to replace the full stop at the end of the latter:

“(g) shall have failed to sign a statement or statements of faith as provided by Article 21(d) above.”

3. Amend Article 36 to read as follows:

“36. The Council shall from time to time in accordance with sections 423 and 424 of the Act cause to be prepared and publish such annual accounts and reports as are referred to in those sections provided that such annual accounts and reports shall (without prejudice to those sections) be published to members no less than 21 days prior to the Annual General Meeting held pursuant to Article 12 next after the relevant year end by posting a copy thereof on the Society’s website.”

4. The following Resolution will be proposed as a special resolution, namely that there shall be prescribed for the purposes of Article 21(d) of Church Society’s Articles of Association the Statement of Faith set out in the Schedule below.

### SCHEDULE: STATEMENT OF FAITH

We who subscribe this Covenant bind ourselves together in fellowship to uphold, defend and spread the gospel of Jesus Christ according to the doctrine of the Church of England.

We affirm the definition of this doctrine that is set out in Canon A5 as follows:

*The doctrine of the Church of England is grounded in the Holy Scriptures, and in such teachings of the ancient Fathers and Councils of the Church as are agreeable to the said Scriptures. In particular such doctrine is to be found in the 39 Articles of Religion, the Book of Common Prayer, and the Ordinal.*

**Specifically, we lay emphasis on the following:**

1. The triune personhood of God as the Father, the Son and the Holy Spirit, and the historical incarnation of the Son of God through the Virgin Mary.
2. The substitutionary sin-bearing death, bodily resurrection, present heavenly reign, and future return to judgement of Jesus Christ the incarnate Son.
3. The universality of sin, the present justification of sinners by grace through faith in Christ alone, and their supernatural regeneration and new life through the Holy Spirit.
4. The calling of the Church and of all Christian people to a life of holiness and prayer according to the Scriptures.
5. The primacy of evangelism and nurture in each local church's task of setting forth the kingdom of God.
6. The significance of personal present repentance and faith as determining eternal destiny.
7. The finality of God's revelation in Jesus Christ and the uniqueness of his ministry as our prophet, priest and king, and the only Saviour of sinners.
8. The infallibility and supreme authority of "God's Word written" and its clarity and sufficiency for the resolving of disputes about Christian faith and life. (See [Article 20](#))

**Our understanding of God's way of life for his people includes:**

- a. The special teaching responsibility of ordained leaders within the every-member ministry of the body of Christ, and the need to provide for its continuance.
- b. The unique value of women's ministry in the local congregation but also the divine order of male headship, which makes the headship of women as priests in charge, incumbents, dignitaries and bishops inappropriate.
- c. The vital importance of monogamous life-long marriage for the care and nurture of children, and the well being of human society.
- d. The rightness of sexual intercourse in heterosexual marriage, and the wrongness of such activity both outside it and in all its homosexual forms.
- e. The urgent need for decentralisation at national, diocesan and deanery level, and the need radically to reform the present shape of episcopacy and pastoral discipline, to enable local churches to evangelise more effectively.
